

Joryn

Joryn Erwin is a creative designer and branding specialist based in Ottawa. With a background in Interactive Media Design from Algonquin College, Joryn’s expertise includes web design, user experience design, camera work, and web development. They approach every project with a creative vision, seeking to break away from traditional styles when necessary.

I strive to infuse every project with creativity, boldness, and a touch of nostalgia, ensuring that each design stands out and leaves a lasting impression.

Values

No matter the project, I dedicate myself to:

- Creativity
- Excellence
- Authenticity
- Collaboration
- Empathy
- Communication
